Candidate training meeting

Ilya continuing on legal case regarding election commission changes

2020 has party positions and state petitions

see Ilya for petitioning details

also congress and requirements are easier -- fec

2021 city council has fairly easy matching funds triggers

raise 5k and every following dollar raised is worth 8

Queens borough president is this year -- talk to ken

if you wish to volunteer on these issues, ilya has a plan to get ranked choice voting into general elections (currently only primaries), so see ilya

Gary Popkin

6 weeks until petitioning and then 5 weeks 3 days of petitioning

get started now

libertarians are spaced out geographically, so gary recommends calling instead of cold calling/knocking

on the petition, include the four person slate for state committee. any signature you get counts for the state committee

David Fite - campaign finance

8 to 1 matching puts us in reach of winning a city election

sales (campaign t-shirts etc) count as campaign contributions

Dion suggests you find a CPA as your treasurer if you qualify for matching funds. They offer free training, but penalties are big if you do it wrong.

Ilya reminds that in-kind contributions must be tracked and recorded
